PUBLIC RELATIONS | CLIENT EXPERIENCE | DIGITAL PROJECTS

PROFESSIONAL PROFILE

Internationally minded and based in Siem Reap, I combine public-facing operations, multilingual communication, customer experience, and hands-on digital expertise. I am seeking a role in public relations, client experience, operations support, or digital projects where interpersonal presence and practical execution are equally valued.

KEY STRENGTHS

Cross-cultural communication • Client-facing professionalism • Mobile and web product execution • Service quality and operational discipline

SELECTED EXPERIENCE

Web & Mobile Application Developer

Ongoing

Independent / Technical expertise

- Expert in React, React Native, and Flutter for practical, user-focused digital products
- Developed MMCGO Drivers, a fleet-management and driver utility application published on [Google Play](#)

Driver / Fare Collector

2025 - Present

Cars Dunois - RATP Dev Group

- Public-facing transport operations across interurban, urban, school, and tourism-related services
- High standard of passenger relations, service continuity, and operational discipline

School Coach Driver

2025

Societe des Cars Simplon

- Managed safe student transport with strict route discipline and pre-departure technical checks

MRO Operator

2018 - 2022

Safran Aerosystem Hydraulics

- Produced technical work and English-language reporting in a high-standard aeronautical environment

FLAGSHIP PROJECT

MMCGO Drivers

Published

Fleet management and driver utility application

- Designed and developed a unique mobile application combining fleet-management features with practical tools for professional drivers of all types
- Built the product from a real-world operational perspective, linking my field experience in transport with my technical expertise in mobile development
- Published the application on [Google Play](#) with a focus on usability, driver relevance, and everyday efficiency

EDUCATION

Associate Degree (Bac +2) - Web Developer Integrator

2022 - 2023

OpenClassrooms

French Baccalaureate - Literary Stream, Advanced Option

1999

Lycee A. Bouvet, Reunion Island

FRENCH / ENGLISH

CATEGORY D LICENSE VALID TO JUL. 2029

INTERNATIONAL MOBILITY

INTERNATIONAL DRIVING PERMIT · FIMO
